About Us

IT Harbor is a small business IT solutions provider specializing in secure, scalable, and mission-driven services. Founded in 2016 and headquartered in Utah, the firm delivers end-to-end IT services including network engineering, cybersecurity, cloud migration, and managed IT support. With a history of serving healthcare and commercial industries, IT Harbor combines enterprise reliability with small-business agility, offering cost-effective solutions that emphasize rapid response, compliance, and long-term partnerships.

Past Performance

Utah Valley Pediatrics (UVP)

6 + yrs comprehensive managed IT support for a multi-site healthcare network - cybersecurity & network management, cloud infrastructure/data protection, and compliance oversight.

Value: \$250,000+ Annually | **Date:** 2016 - Present

VoIP Modernization (UVP)

Migrated 300 phones across 14 locations with zero downtime and 30% cost savings.

Value: \$35,000 + | **Date:** 2023

Dental Practices (Nationwide)

Comprehensive IT support for dental offices nationwide. Independent clinics to multi-practice groups with 20 + locations. network management, EHR support, HIPAA compliance, and proactive system monitoring

Network, Surveillance & AV Infrastructure

Nationwide installations of structured cabling, surveillance systems, and audiovisual networks - Cat5/Cat6 runs, CCTV setup, AV integration, etc. with ongoing monitoring, maintenance and support to ensure long-term reliability and performance.

Core Services

- Network Infrastructure & Engineering
- Cybersecurity & Risk Management (NIST, HIPAA, CMMC, DFARS)
- Cloud Migration & Hybrid Environments (AWS, Azure, O365, GCP)
- Data Management, Backup and Disaster Recovery
- Systems Administration & Compliance
- Help Desk Support (Tier 1-3)
- Hardware & Software Support
- Low Voltage Cabling (Cat5e/Cat6/fiber installs, certification, testing)
- Surveillance & Access Control Systems (CCTV, biometrics, badge readers)

Differentiators

- 30+ years of IT managed services expertise.
- HIPAA-compliant IT tailored for healthcare & dental practices.
- GSA MAS Schedule holder (47QTCA24D00FR) for streamlined federal procurement.
- Nationwide presence for rapid deployment and on-site support based on client demand.
- Proven cost-saving VoIP modernization (30% reduction for clients).
- Owner-led business ensuring dedicated engineer per client.
- Disaster registry registered; ready for teaming and sole-source.
